

Mercy Hope

SPEAKER AUTHOR

“HAVING SPENT TIME WITH MERCY DURING A RECENT WOMEN’S LEADERSHIP CONFERENCE, AT WHICH SHE WAS ONE OF THE KEY SPEAKERS, I WAS CAPTIVATED BY THE LIGHT THAT EMITTED FROM HER PERSONALITY AND HOW SHE, HOLDING ON TO GOD’S HAND, OVERCAME THE DEEP DARKNESS OF BEING HOMELESS, HUNGRY AND A VICTIM OF DOMESTIC VIOLENCE. MERCY WEARS NO EVIDENCE OF HER PAST, ONLY THE BEAUTY OF THE MORNING SUNSHINE.”

Lorrie Lawrence
TRANSFORMATIONS MINISTRIES

Mercy is passionate about seeing her audience come away...

- KNOWING JESUS CHRIST MORE INTIMATELY
- HAVING A CLEARER UNDERSTANDING OF THEIR IDENTITY IN CHRIST
- READY TO IMPACT THEIR WORLD WITH LOVE AND CONVICTION

Mercy shines like a beacon of hope. Her background includes homelessness, poverty and domestic violence. Today, she is happy to be alive and shares with others the freedom she has found. She does this through speaking, one on one counseling, and as a regular columnist for *An Encouraging Word*, a national women’s magazine. She is also the founder and lead interviewer for FaithTalks.com. On a typical day Mercy devotes her time to working with various critical aspects of the ministry of Wisdom’s Gate.

Michael, a young man who has been impacted by Mercy’s life and ministry, has this to share:

“I have never known someone to be able to communicate with people so well. Mercy does not just lend her ears, mind or many resources to people for a moment or two; she devotes everything to loving them in a Christ-like manner for the entire time that she is with them. In the times that I have spent with Mercy, I have been blessed to find an abnormally caring, understanding, knowledgeable, and encouraging person.

“When the time comes for her to speak, she does so with the quiet, but confident, authority of a woman that has lived through some extremely difficult times; and more importantly, with the authority of Jesus Christ behind her. She is intelligent, soft spoken, to the point, and full of wisdom. She is devoted to the Lord and to His calling. She is empathetic and loving. She is able to relate to so many people because of her vast life experiences. Mercy Hope speaks by the mercy and grace of the Lord and she brings hope to those that do not have it.

“Mercy has given everything that she is and has to the Lord, and to reaching others for Him. She is able to encourage other men and women to realize their full potential in the Lord, in spite of any difficult circumstances, or baggage that they may have. Her sphere of influence is limitless because she is backed by the

Lord. I believe that she lives out Philippians 4:13, ‘I can do all things through Christ who strengthens me.’ That says ALL things and means ALL things. She is helping people realize that and apply it to every area of their lives... business, personal, learning, spiritual, etc. I am proud to know Mercy Hope, and am praying for her and others, like me, that she will impact.”
